Spectrum Is Glamorous

Foreword from Colonel White: C-in-C of Spectrum

“The first one to call me ‘Champagne Charlie’ will spend New Year’s Eve in the ‘brig’.”

This year, the brave men and women under my command have ‘pushed the boat out’ and dressed in all their finery. I am sure you will all agree that Spectrum is graced with elegance and charm in spite of the deadly danger they face every day of their lives.
May you all have a splendid 2009!

The pictures within this calendar are obviously montages! I hope they will offend no one, they are intended as an affectionate tribute to our heroes and heroines. All original photos (heads!) of the characters in 'Captain Scarlet and the Mysterons' © belong to the companies who own the series. All the body pictures were taken from different sources on the net, and used without permission. This has been done solely for fun, and not a cent has been made from it.
