a captain scarlet calendar for 2022

Foreword from Colonel White - Cloudbase C-IN-C

I confess, my contribution to this infernal calendar seems to come around faster every year, or perhaps that's just me getting older. However, I will grudgingly admit that its production is always for a good cause and so, I thank everyone who has toiled over this year's offering.

As we embark upon another year, there will be new chapters in the lives of my gallant and brave officers; which is more than can be said for the novel I'm determined to finish writing in my off-duty time.

But I digress. I hope you enjoy the company of my staff during the year, as they relax on Cloudbase, their home from home, or face the dangers of the lands below us in the defence of Earth against the dreadful threat of the Mysterons.

Finally, and most of all, I wish you all a safe, healthy and peaceful 2022.

Colonel White

After twenty-seven attempts at typing Chapter One, the colonel was beginning to doubt he'd ever get his 'whodunit' finished.
